

## Help needed for Hub Club Cash Wise brat stand work days

The Cash Wise brat stand will be back in business this summer and the Hub Club has signed up for two days—Saturday, June 5 and Saturday, June 12.

Bob and Char Ahlers are heading this year's project. Please contact them at 507-276-0823 (cell) or 507-354-2622 (house) if you can volunteer to work. If no answer, please leave a message.

There will be two work shifts each day—9:30 a.m. to 2:00 p.m. and 2:00 p.m. to 6:00. (Or earlier close, if the weather is bad or business is slow).

Three volunteers will be needed for each shift—please volunteer if you can help!

## Upcoming Club Events

- May Board Meeting—Tuesday, May 4, 5:15 p.m., Don Sanderson's State Farm Insurance Office

## Board to discuss summer events

Some summer events are still up in the air. Bavarian Blast will be held and the club has been asked to have a food stand.

Family Night on the Dairy Farm is under discussion.

Watch for more information in the next newsletter.

## A note from our membership chair

Garrett Freeman has graciously taken on the job of Hub Club membership chairman. He's the person who collects dues and keeps our membership list. It's a job that is more difficult this year, with fewer in-person events.

While dues are usually collected at the same time as our annual meeting is held, that didn't happen this year, with no meeting/banquet.

Garrett sends this message:

"I'd like to remind members how important their dues are to our club, especially during these uncertain times. We have 64 members still unpaid, with 83 in good standing. The unpaid dues represent \$1,600 we could really use right now, as requests for our support are still coming in from other organizations.

"With nice weather coming, it will be hard to reach many of those who are unpaid. I hope this newsletter finds everyone well. Planting has started and I hope safety is at the top of everyone's mind."

Please help Garrett out...if you haven't already, please send your membership renewal. Hub Club annual dues are \$25.00 per membership (couple, single, or business). Please mail your dues with the included form to the Hub Club mailbox, PO Box 372, New Ulm, MN 56073. We ask that you fill out all contact information so we can verify that our records are up to date.

Thank you!

## A message from our president, Julie Wilson

April showers bring May flowers! Well...we haven't had many showers, but let's hope this still allows for a great start to the growing season.

Planting is in full swing and, with that, let's bring a big reminder to farm safety. This means for those involved in farming and those who are not.

Motorists—Be vigilant of the equipment on the road. Farmers do not want to be out there any more than you want them there, so please take that extra look and slow down.

Farmers—please take that extra step to turn things off

or watch for others when working in and around the equipment.

Let's all look out for one another!

Look where we have come since a year ago. Our kids are actually going to have a full year of in-person school under their belt after the events of 2020.

Let's continue to be grateful for what we have and look to better things in the near future.

Julie
