Join us as we celebrate our 43rd Annual Farm Show on March 7 and 8, 2025. We are looking forward to working with you in making this year's show another successful endeavor!

The Farm-City Hub Club's Farm Show is the largest indoor farm show in south-western Minnesota. The New Ulm Civic Center is transformed to showcase your products and services during the show.

The main exhibition area contains over 17,800 square feet of floor space. It's well suited for large crowds that can move smoothly through the aisles toward your display.

We're proud to sponsor a quality show that offers value to you as an exhibitor. Our goal is to connect buyers to sellers along with promoting the agriculture industry.

We have exhibitors and Hub Club members who have been an integral part of this endeavor since 1981. Make a positive decision by being part of this exceptional event in March 2025.

Celebrate Farm Family Friends
